### SUN HARBOR MARINA - WATER USE REDUCTION

Low flow plumbing fixtures were used to conserve water, including waterless urinals, sensor-activated lavatory faucets, low-flow kitchen faucets, low-flow showerheads and tankless water heaters. Water savings exceeds 37%.

### SUN HARBOR MARINA - RECYCLE CENTERS

Each building has it's own "recycle center" where building occupants can recycle paper, corrugated cardboard, glass, plastics and metals.
